

# VANDAL GUARDS

## FOR THE ULTIMATE PROTECTION!

Smart Fabrication vandal guards are **essential for the safety of your machinery**. Lock up your machine at the end of the day and go home with the **piece of mind** that everything will still be as it was when you left. Our Vandal Guards are custom made from high quality aluminium checker plate with all edges safely capped.

*"Smart Fabrication vandal guards offer the **ultimate protection** for your valuable equipment."*

**Smart Fabrication offers protection against:**

- Vandalism
- Broken Windows
- Defacement of Interior
- Theft

**We've currently fitted vandal guards to the following machines:**

- |                    |                   |               |
